The Porch Club of Riverton
CLUB PRESIDENT: Bobbie Beck,
EMAIL: paul062@verizon.net
NEWSLETTER EDITOR: Mindy Ryan,
EMAIL: mindymryan@yahoo.com

From Bobbie's Perspective:

Dear Ladies,

Well, I thought I had gotten a pretty good hold on this position of president, but this week, November 10 to be exact, proved me wrong.

We have been instructed by the fire officials to bring our building up to code as soon as possible. So I called electricians and made an appointment to meet one of them at the Porch Club to go over everything that needed to be done. Among areas of concern were the basement and our smoke detectors there. Well, I led the way to the basement and opened the door; this is where the fun began.

I saw this "black thing" streak by me coming out of the dark holes of the back shelves. Of course I screamed and that's when the electrician took the lead. It was a dark gray cat who had somehow gotten trapped in our very own basement. Now, picture the electrician with a broom in hand and me with an aluminum baking pan trying to get this very scared cat over to the door and outside. As many times as we tried, he wouldn't go near the door.

Finally, after several tries he disappeared back into those dark shelves. I called the Brunckers and Richard came over to entice the cat out from it's hiding place, all to no avail.

Then Paul arrived on the scene, and he looked all over for the cat. Paul and I decided it was no use right then to continue, but Paul would come back later with our Have-a-Heart trap and a can of cat food and set the trap in the basement.

Friday morning arrived and the cat was in the trap. Paul brought the trap upstairs and let the cat loose. We saw one happy cat take off. The moral of the story, if you want to be president, you need to be able to trap cats!

These past two months have seen lots of activities and events take place. Kudos go out to the teams who worked on the Opening Luncheon, Rummage Sale, Shopping Spree, Spaghetti Dinner, and the New Members Open House. Trips and meetings have started off with a bang. And it doesn't look like there's any chance of it slowing down. **What a group! I am constantly amazed at all you accomplish.**

Be sure and read every article so that you won't miss out on a thing. If you want to do something but are not sure what, just ask. I'm sure we can always find something for you.

Have a blessed Holiday Season and a Happy and Healthy New Year,

Bobbie

Membership Department

The Fall 2011 Rummage Sale

Mary Hannah,
Riverton 914@aol.com

The Porch Club had it's Fall Rummage Sale on October 14-15 on a beautiful fall weekend. We were off to a great start with a wonderful gift of a house clean-out that provided a great amount of items and it kept coming!

We really had a full club for this sale. Donations included a Civil War sword, Roseville pottery, and a beautiful quilt, in addition to our numerous household and miscellaneous items. Some very miscellaneous items always come in to make our sales interesting! The Club has a new foyer light thanks to the sale.

The Rummage Sale ladies gave so generously of their time to make this our best sale ever, \$1,560.00 in proceeds for Burlington County charities.

These sales take so much work to get the club ready, put out the items in a nice presentation, and then sell them, and still not finished yet!

We have to empty the club of any remaining items and put it back the way it was. We were very fortunate as Calvary Church requested our remnants for their Treasure Day sale.

It's a very rewarding feeling to know that so much comes from nothing and goes to some very deserving charities. I sincerely thank all who donated and have no words that would adequately describe my fellow Rummage Sale partners and their untiring and devoted efforts towards making these sales so successful.

International Outreach

Pat McDermott, pmcdermott14@comcast.net

During this season of giving, let us remember those who are in great need around the corner and around the globe. There are several organizations that focus their funding on improving the lives of children and women. Please consider donating to CARE or UNICEF through our Kimberley basket passed at each meeting.

CARE is partnering with GFWC to make a difference in the lives of women and girls around the world. In particular, the NJSFWC, of which our club is a member, is supporting the CARE Village Savings and Loan Associations.

CARE is a leading humanitarian organization fighting global poverty. Recognizing that girls and women suffer disproportionately from poverty, CARE places special emphasis on empowering them to create permanent social change. Women are at the heart of CARE's community-based efforts to improve basic education, expand economic opportunity through their Village Savings and Loan Program, increase health services especially for mothers and babies, and protect natural resources like water in over 70 countries around the world.

Dates to remember:

December 1, World AIDS Day

December 10, Human Rights Day

February 7, International Luncheon, 12 noon. Please bring a dish to share with an international theme.

Home/Life Social Services

Dottie Fresco, 856-786-0789

Thank you for all of the food you donated at our last general meeting.

I delivered the food to the Bread of Life Food Pantry and was very impressed with the volunteers working there and discovering a great need for more food.

Please continue to donate boxed or canned foods.

I apologize for this late announcement, but at our December meeting Home/Life will be collecting \$5.00 gift cards from WaWa, 7-11, Target, etc. for

Crossroads at-risk high school students living at the Cinnaminson House.

At our December meeting, I will have a of out new project, collecting Box Tops for education as a fundraiser for the PTA of the elementary school in Palmyra.

I want to thank all of you in advance for giving, giving, giving! You make my committee and the Porch Club look so good. All of you are so aware of charitable giving.

Dolls from the Attic

Dolls are the perfect antidote to the post-holiday blahs.

For our January meeting we've rescheduled Mary Nagurny to perk us up with a program about antique dolls.

She is an expert on antique dolls, toys, and doll repair.

Mary is on the Advisory Board of the Doll Museum of New Hope, PA, and a longtime member of the Elizabeth Had-don Doll and Toy Club.

She will bring part of her collection of

antique dolls and tell us a little bit about them.

Mary has graciously agreed to answer questions about your own dolls and has offered to do informal appraisals.

So ladies, bring your old dolls out of the attic and join us on January 10.

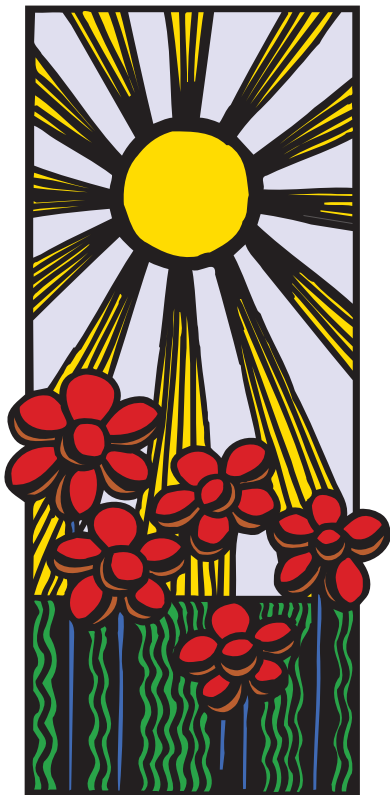

Coming up:

March meeting -Tuesday, March 6, 7:00 pm. Mark your calendar for March 6 and invite your friends and family to our annual evening meeting. We are excited to have the Cherry Hill Pine Barons, a barbershop style choral group, for a return performance.

Great Quote from Margaret Thatcher

"What is success? I think it's a mixture of having a flair for the thing that you are doing; knowing that it is not enough, that you have got to have hard work and a certain sense of purpose"
