From Pat's Perspective:

I hope everyone had a lovely Thanksgiving with family and friends and took a bit of time to give thanks for the many ways we are all blessed.

So many of you have taken the time to get involved in some meaningful activities at the Club this year. Lots of things have been just for fun, but we have also earned a considerable amount of money for charity. Our Shopping Spree in October earned \$600 and our Line Dancing night another \$64 for our State Special Project, Gilda's Club, which supports families dealing with cancer. The Book and Author Luncheon earned \$700 for the Literacy Volunteers of Burlington County and \$50 for our annual award to Cinnaminson High School in memory of Carmel Fischer. Your Charitable Giving Committee decided to give \$600 to Sacred Heart School in Camden, \$1,000 to Emergency Services, \$150 each to Riverton, Cinnaminson, and Palmyra Elementary Schools, \$125 to CARE, \$500 to Samaritan's Hospice, and \$355 to the Home for Aged Women in Burlington. The proceeds were from the Garden Tour and the Fall Rummage Sale. That's almost \$4,500 we've been able to give to help needy women and children lead better lives in the first two months of this club year. I'm so proud of all we've been able to do. 160 members can make a difference when we all pull together!

Bobbie Beck and I attended a conference in Upper Montclair in November about the preservation of NJSFWC historic clubhouses here in New Jersey. Did you know that the Porch Club is on the New Jersey Women's Heritage Trail? This is a State list which uses historic places to tell the collective story of a few famous and many more private New Jersey women - Mary VanMeter Grice in our case - who contributed to the agricultural, industrial, labor and domestic history of the State. Did you know that our clubhouse is listed in the State and National Register of Historic Places? It is a contributing building both because of our location in the historic district of Riverton and because we are one of the few women's clubs in the State with a historic clubhouse. We learned that there are many things that need to be done to protect the clubhouse, but one of the main things we need to do is to make the club handicapped accessible in compliance with the American Disabilities Act. This will involve building a ramp and re-working the back bathroom to be handicapped accessible. It will take some time, but we hope to get it done this year.

Your Executive Board: Bobbie Beck, Aggie Kennedy, JoAnn DiNoia, Terri Budroe, Amanda Boulton, Sandy Gunn, Naomi Horn, Johanna Rooney, Sandi Scheer, Kathy Simon, Michelle Daniel, Donna VanHoy, Phyllis Rodgers, Nancy Anderson, Dottie Fresco, Pat McDermott, Rita Vittese and June Emens join me in wishing you all a happy and healthy holiday season.

From my family to your family, wishing you peace, joy and health for the holidays and in the New Year.

I am so proud of what this Club accomplishes and of how active and involved you all are. This is especially true in these difficult financial times when everyone is so busy, but it's what we women have always been about. I look forward to another wonderful year with you all, making a difference in our own and others' lives.

Christmas Tea,

December 21

A tradition since 1933, on December 21st, we'll have our annual holiday formal tea from 2 to 4 PM. The Chorus will entertain us with the music of the season. Bring your friends and family, particularly the kids, as Santa Claus will be there. Everyone should bring some food item to share and we'll have Porch Club punch, aka "The Recipe", coffee and tea.

Charitable Giving Committee

Debora Patras, Chairman, debpatras@yahoo.com

My sincerest gratitude to the Charitable Giving Committee for their continued support. In this terrible economy it is most difficult deciding on how to use the hard-earned funds from our Fund Raisers.

Fall Rummage Sale and the balance of the funds earned from the Garden Tour equaled an impressive \$3,030.

Our collaborative effort once again resulted in a unanimous vote that the Porch Club of Riverton donates funds to the following:

- \$1,000 Catholic Emergency Charities
- \$ 600 Sacred Heart - Sponsoring the education for 2 children
- \$ 355 Home for the Aged Women of Burlington County
- \$ 500 Samaritan Hospice
- \$ 125 CARE * Int'l Outreach Community Service of NJSFWC
- \$ 150 Riverton School K - 12
- \$ 150 New Albany Elementary, Cinnaminson
- \$ 150 Charles Street School, Palmyra
- TOTAL: \$3,030.00

Our warmest expression of appreciation go out to Mary Hannah and her hard working committee for another successful Fall Rummage Sale and to all the volunteers who sacrifice their time to help those in need.

House Committee

House Chairman Johanna Rooney, kroone@juno.com

Please make sure after any meeting that the Porch Club is clean for the next event. We had a person renting that was not happy with the shape the Club was in when they came in. One of the departments had an event and did not

clean properly. Please made sure the trash cans are emptied and kitchen and bathrooms are tidy and the floors are dry mopped.

Thank you for your cooperation.

Update on bathrooms: We need to do more renovations on the bathrooms and the House than we had planned. We need to update the Porch Club to be handicap assessable. To do this we need an architect and an engineer for guidance and to be ADA compliant.

Flower Show

The next planning meeting for the PHS Flower Show will be on Wednesday, January 5th at 7:00 PM at Pat Bruncker's house, 105 Thomas Avenue. We'll finalize the Title and Intent and update what needs to be done to create a windowbox and lamp post for the show - "Springtime in Paris". All help is welcome.

International Affairs

Pat McDermott, pmcdermott14@comcast.net

Kimberley Jones is the child that our Porch Club members sponsor through Child Fund International. Many of you have asked if you can contribute in addition to the Kim Basket. How wonderful!

The International Affairs Committee sends a package to Kim almost every month. We usually fill the box with donations from within the committee. I would be most happy to send any gift that the general membership would like to contribute.

The basic rules are new items only-no perishables such as candy or liquids or something that could easily break. Nothing can be wrapped but wrapping paper can be included.

Here are some statistics on Kimberley in her own words, "I come from a big family, 2 brothers and a baby sister. I will be 10 yrs.old on November 29 and I weigh 66 lbs. My favorite color is blue and I like to play on the computer. I want to be a vet and take care of animals, especially dogs. I am in the 4th grade and my favorite subjects are math and recess." Kim wears a size 10/12 girls in clothing and a size 3 shoe.

I will have a basket at each meeting as well as the Kimberley basket that is passed. If you have any questions or would like me to pick up something just call or email me. Books, games, art supplies and clothing are good gifts. Even a card or two can be sent in the package but keep it un-sealed please! If you would like to give a monetary gift to Kim and her family this can also be arranged. Again may you continue to be blessed for your care and generosity toward Kimberley. Happy Holidays!

Entrepreneurial Women

Kathy Simon, kathryn.simon@gmail.com

The Porch Club's Department of Entrepreneurial Women holds a monthly networking get together with the members of Locaprise, a marketing/support group for local small and home-based businesses. Together, we support and promote shopping and hiring local resources to strengthen our community.

Meetings are normally held the last Thursday of each month at 7p.m. in the Porch Club, HOWEVER the next meeting is a joint November/December event to be held on December 9th at 7p.m. in the Porch Club. Each meeting offers a speaker presenting a topic of interest to small business owners. December's meeting will feature Bogna Pro from Sky Architects speaking about Feng Shui in the Office. January's meeting will focus on the pros and cons of becoming an LLC. Our meetings are open to all entrepreneurial business folks and interested parties. Come on over and meet your local resources!

January Meeting-Dolls from the Attic

Dolls are the perfect antidote to the post-Holiday blahs.

For our January meeting Mary Nagurny will perk us up with a program about antique dolls.

She is an expert on antique dolls and toys, and doll repair.

Mary is on the Advisory Board of

the Doll Museum of New Hope and a longtime member of the Elizabeth Haddon Doll and Toy Club.

She will bring a part of her collection of antique dolls and tell us a little bit about them.

Mary has graciously agreed to answer questions you might have about your own dolls, and has offered to do informal appraisals.

So Ladies, bring your old dolls out of the attic, and join us on January 4th at 12:30 p.m..
